

Subject: And what if we worked together to support our hospitals?

Message:

Hello FIRST NAME,

I've decided to join the major Québec-wide solidarity movement in support of our hospitals.

That's why I've taken up the Generations Challenge for NAME OF HOSPITAL.

My challenge: INSERT YOUR CHALLENGE.

My objective: INSERT YOUR OBJECTIVE.

Please make a donation!

Why?

To give back to our health workers who have been caring for us so tirelessly.

To contribute to saving a patient in my local hospital.

Because we must act quickly to ensure that everyone receives care when they need it.

Will you help me reach my goal?

You'll be joining this major solidarity movement to respond to our hospitals' most pressing needs!

Our hospitals are there for us. It's our turn to be there for them!

Thank you for your compassionate and generous support,
