TODAY, ONE YOUNG PERSON IN TWO PRESENTS SYMPTOMS OF ANXIETY AND DEPRESSION. LET'S PURSUE OUR SHARED MISSION TO PROVIDE YOUNG PEOPLE WITH ACCESS TO THE BEST CARE.

"Since I came back from the camp, things have been much better. I feel more confident. I feel more capable of doing things."

– Élodie

"Thank you for offering such an amazing program to our youth, because they are in a distress we cannot even imagine."

– Bianka,
mother of Élodie

HORIZON 4 SAISONS PROJECT

This therapeutic intervention project is specially designed for teens who respond less well to traditional therapies. It's an opportunity for them to experience a nature adventure that puts them in contact with other teens their age who are suffering from similar problems, and provides them with support from care staff.
